

STATE OF MARYLAND

FREDERICK COUNTY:

I Thomas E. Stone being duly sworn according to law, depose and say:

THAT, I am a duly qualified and licensed practitioner in the State of Maryland, having practiced my profession for the last 7 years in the State of Maryland:

THAT, in the course of professional practice I have examined and treated Margaret Doll Jones, and I last examined her on the 4 day of June, 1958, at which time I found her suffering from psychosis

THAT, I am satisfied from the opportunity thereby afforded me of judging her condition, that the said Margaret Doll Jones is of unsound mind and incapable of the government of herself, and management of her estate: And in my opinion this condition was caused by psychosis

THAT, the said Margaret Doll Jones is totally disabled as the result of this mental condition and that the said condition in my opinion probably will continue for permanent
